

## Instructor's List of Supplies & Equipment List for Teaching Survival Equipment, Procedures and Onboard Drills Courses

---

This is a list of teaching supplies and equipment for instructors teaching AMSEA's USCG-accepted 10-hour or 18-hour drill conductor classes. Classroom session and drill aboard a vessel are included in both 10-hour or 18-hour drill conductor classes. Firefighting practice, pool session and flare demonstration are add-ons for 18-hour courses.

### REQUIRED PAPERWORK, BOOKS AND BROCHURES

Available to order from AMSEA.

- **Emergency Instruction & Drill Manual** (23 pages in paper folder) – also available to download and print at [www.amsea.org](http://www.amsea.org)
- **Beating the Odds On Northern Waters** (book)
- **Drill Conductor Cards** (one for each student 16 or older who completes the training)
- **Course Roster/Reporting Form** – also available to download and print at [www.amsea.org](http://www.amsea.org)
- **Drill Conductor Course Skills Checklist** – also available to download and print at [www.amsea.org](http://www.amsea.org)
- **Instructor's Course Evaluation Form** – also available to download and print at [www.amsea.org](http://www.amsea.org) or to submit via an online submission form
- **Student Course Evaluation Form** (one for each student) – also available to download and print at [www.amsea.org](http://www.amsea.org)
- **Assumption of Risk & Release Form** (one for each student) – also available to download and print at [www.amsea.org](http://www.amsea.org)

### OPTIONAL BOOKS & BROCHURES

Available to order from AMSEA.

- **Commercial Fishing Vessel Safety Digest** (98 pages in 3-ring binder) available to purchase or as a free printable, download at [www.amsea.org](http://www.amsea.org)
- **USCG Commercial Fishing Regulation booklets**
- **Marine debris education pamphlets, stickers, etc.** – also available to download and print at [www.amsea.org](http://www.amsea.org)
- **Brochures: Responding to Dive Emergencies in Alaska** – for classes that include commercial harvest divers; also available to download and print at [www.amsea.org](http://www.amsea.org)
- **Brochures: Seven Ways to Get Hurt (or Killed) While Commercial Fishing in Alaska** – also available to download and print at [www.amsea.org](http://www.amsea.org)

### SUGGESTED VIDEOS TO USE AS TEACHING AIDS

Available to borrow from AMSEA's video library. **Many other videos also available.** Place your video order online at [www.amsea.org/forms/video\\_form.html](http://www.amsea.org/forms/video_form.html)

- **Rescues at Sea: A Guide To Helicopter Rescue & Dewatering Pumps**
- **Flooding Control: Knowledge & Tools To Prevent Sinking**
- **Lifesling: Use of Lifesling Rescue Device**
- **Cold Water Casualty**
- **Fishing Vessel Stability: Operational Practices**

## **Instructor's List of Supplies & Equipment List for Teaching Survival Equipment, Procedures and Onboard Drills Courses**

---

### **REQUIRED CLASSROOM EQUIPMENT & SUPPLIES**

Available to borrow from AMSEA's lending gear collection. Place your equipment order online at [www.amsea.org/forms/equipmentform.html](http://www.amsea.org/forms/equipmentform.html)

- **EPIRB** (nonworking demonstrator)
- **SOLAS A Kit liferaft equipment pack**
- **Inflatable wearable PFDs** (one USCG approved, one non-approved)
- **Appropriately sized immersion suit for each student** (use students' own suits if available)

### **REQUIRED CLASSROOM EQUIPMENT & SUPPLIES**

To be supplied by the instructor; not typically available from AMSEA

- **Mayday scenarios**
- **Plastic Bags** (Grocery store type; two for each immersion suit)
- **Zipper Wax** (contact AMSEA with questions about this)
- **Digital camera, scanner, copy machine or other means to capture copies of students' photo IDs**
- **Fire extinguisher(s) – CO2**

### **OPTIONAL CLASSROOM EQUIPMENT & SUPPLIES**

Available to borrow from AMSEA's lending gear collection. Place your equipment order online at [www.amsea.org/forms/equipmentform.html](http://www.amsea.org/forms/equipmentform.html)

- **Mayday practice microphones**
- **Audio recording of actual maydays**
- **Appropriately sized immersion suit(s) for instructor(s)**
- **Dummy Flares**
- **Assorted PFDs:**
  - 1 type I
  - 1 Type II
  - 4 Type III
  - 1 float coat with beavertail
  - 1 coverall

### **OPTIONAL CLASSROOM EQUIPMENT & SUPPLIES**

To be supplied by the instructor; not available from AMSEA

- **Card laminator and laminating supplies**
- **Nametags**
- **Extension cord**
- **Laptop computer and peripherals such as mouse, speakers, projector**
- **DVD and/or VHS player and TV**
- **Coffee and tea supplies**
- **Snacks**

## **Instructor's List of Supplies & Equipment List for Teaching Survival Equipment, Procedures and Onboard Drills Courses**

---

### **REQUIRED EQUIPMENT & SUPPLIES FOR DRILL ABOARD A VESSEL**

Available to borrow from AMSEA's lending gear collection. Place your equipment order online at [www.amsea.org/forms/equipmentform.html](http://www.amsea.org/forms/equipmentform.html)

- **Abandon ship kit**
- **Life raft with line attached**
- **Inflator or pump**
- **Sample hydrostatic release**
- **Smoke (fog) generator**
- **Damage control kit**
- **Flooding simulation pipe**
- **Man overboard throwable device**

### **REQUIRED EQUIPMENT & SUPPLIES FOR DRILL ABOARD A VESSEL**

To be supplied by the instructor; not available from AMSEA

- **Vessel appropriate to the course**
- **Extension cord**

### **OPTIONAL EQUIPMENT & SUPPLIES FOR DRILL ABOARD A VESSEL**

Available to borrow from AMSEA's lending gear collection. Place your equipment order online at [www.amsea.org/forms/equipmentform.html](http://www.amsea.org/forms/equipmentform.html)

- **Empty life raft canister with hydrostatic release**
- **Dummy fire extinguisher**

### **REQUIRED EQUIPMENT & SUPPLIES FOR FIREFIGHTING PRACTICE**

To be supplied by the instructor; not available from AMSEA

- **Appropriate site for fires**
- **Charged extinguishers of various types: CO2, sodium bicarbonate, dry chemical, foam, water**
- **Gasoline/diesel mix**
- **Flares**
- **Pole**
- **Metal fire pan**
- **Water**

### **REQUIRED EQUIPMENT & SUPPLIES FOR POOL SESSION**

Available to borrow from AMSEA's lending gear collection. Place your equipment order online at [www.amsea.org/forms/equipmentform.html](http://www.amsea.org/forms/equipmentform.html)

- **Life raft**
- **Inflator or pump**
- **Appropriately sized immersion suit for each student (use students' own suits if available)**
- **Assorted PFDs**

## Instructor's List of Supplies & Equipment List for Teaching Survival Equipment, Procedures and Onboard Drills Courses

---

### **REQUIRED EQUIPMENT & SUPPLIES FOR POOL SESSION**

To be supplied by the instructor; not available from AMSEA

- **Pool**
- **Lifeguard**

### **REQUIRED EQUIPMENT & SUPPLIES FOR A FLARE DEMONSTRATION**

To be supplied by the instructor; not available from AMSEA

- **Live flares**
- **VHF Radio**
- **Fire extinguisher(s) of an appropriate type**
- **Burn kit**

### **OTHER OPTIONAL EQUIPMENT & SUPPLIES**

May be available from the USCG; not available from AMSEA

- **Dewatering pump**
- **Helicopter rescue equipment**
- **Damage Control trainer**
