**Marine Safety Instructor Training
Travel Stipend Application**

Course participant stipends, to **reimburse** travel cost for this course, are available thanks to funding from National Institute of Occupational Safety and Health, the U. S. Coast Guard (USCG) and other sources.

Individuals are eligible for a travel stipend only if they are in a position to provide safety training to commercial fishermen. Stipend payments are contingent on the applicant being accepted by the USCG to teach Drill Conductor classes and actually teaching a class within nine months of completion of Marine Safety Instructor Training.

Depending upon current funding and applicant need, part or all of travel expenses (maximum of \$500.00) may be reimbursed.
