

*Learn To Teach Valuable Skills . . .
Help Commercial Fishermen Meet
Requirements for Drill Conductor Certification*

Become a Commercial Fishing Vessel Safety Instructor!

**AMSEA's hands-on
training is proven
effective at saving lives.**

AMSEA's six day U. S. Coast Guard-approved Commercial Fishing Vessel Safety Instructor Training provides practical, hands-on experience in survival equipment use and procedures. It is recommended for anyone who wants to provide required emergency Drill Conductor training for commercial fishermen, or others who need the skills to respond quickly and effectively to an emergency. It prepares participants to become U.S. Coast Guard-accepted Commercial Fishing Vessel Safety Instructors, and is taught by experienced mariners.

Galveston, Texas
